Session One Step 1 (prep): Print out the enclosed/attached solfège symbol packet for each of your students. Step 2: Using clear tape, connect each student's folios together to create a wall chart or accordion book. You're Reading a Free Preview Pages 85 to 86 are not shown in this preview. Fermin Ceballos studied music at the Autonomous University of Santo Domingo (UASD) and was a professor of music at the Ministry of Culture, National System of Free Schools of the Dominican Republic. BOCHINCE was released on May 30, 2021, and is available to stream on all online platforms. Let's make a chart that helps us remember the solfège symbols and syllables for each pitch in the major scale. Depending on how you divide the project up, this process may run into a second class session. El álbum cuenta con música completamente original, 14 temas, y once géneros musicales. The book/wall chart will give students a visual aid for understanding the concept of pitch. This project gives students an opportunity to experience a fun way to remember things! Vocabulary from the Musical Word Wall: pitch, musical, solfège, major scale, high/low Materials You Will Need: Solfège Symbol Sheets (see enclosed) markers crayons color pencils collage materials glue sticks clear tape Musical Explorers CD or online audio Process: This project can be completed in one hour long session or two 30 minute sessions.
